### KEEPING DOORS CLOSED OVER CHRISTMAS

As the weather is unpredictable at this time of year, and our office hours are reduced over the Christmas period, we would like to remind all customers to ensure entry roller and swing doors are closed firmly behind you when you leave the complex. As you are aware, we go to great lengths to keep the facility clean, tidy and dry, so if it is raining when you come in, please make sure the roller/swing doors are closed behind you while you are in the building and firmly closed when you leave. – Thank you.

## INSURANCE

The terrible Christchurch earthquakes along with other worldwide natural disasters have highlighted the need for insurance. Along with having insurance, it is also important to check your insurance is up to date. Remember 'if you store, you should insure.' We have insurance for our buildings, however we do not cover your goods in storage, you must take out your own insurance. To assist you in this, we are approved by all major insurers and we can also offer self-storage insurance. Ask us for a competitive quote. If there is anything that you are unsure about regarding insurance, please contact us on 0800 66 73 77 and we will only be too happy to help.

## CUSTOMER PARKING

Christmas and the holidays can be a busy time of year with lots of customers going to and from the facility. Because of this, we thought we remind everyone there is a visitors car park available at the front of the office for your convenience. This is for short term parking only, as it needs to be available for all customers and visitors. Kindly be aware that any car parks marked with numbers are allocated and should not to be parked in, this applies to carparks inside and outside the facility. Parking for brief periods of time outside your unit/s is fine, however, please do not park directly in front of the gate as it hinders other vehicles coming in and out of the complex. If you are unsure of where to park, please come into the office and we will help you find a suitable place to park. Thank you, we appreciate your help with this matter.

## DECADENTLY DELICIOUS, AMAZINGLY EASY, FOR CHRISTMAS

Looking for a scrumptious desert for Christmas? No cooking required? Get ready for the "OOooohhs and AAaahhhs!" Anne has kindly offered to share her recipe for [Lemon Cheesecake](#):

### You will need:

250 g Digestive Biscuit  
1 Vanilla Pod  
100g Icing Sugar  
Juice of 1 Lemon  
115 g Blueberries

100g Melted Butter  
600g Soft Cheese  
Freshly Grated Zest  
240g Strawberries  
300ml of cream

1. Butter and line a loose bottomed tin with baking parchment. Then, put the biscuits in a food bag and crush using a rolling pin
2. Transfer the crumbs to a bowl, pour over the melted butter. Mix thoroughly until the crumbs are completely coated
3. Tip the butter coated biscuit crumbs into the tin and press firmly down into the base to create an even layer.
4. Chill in the fridge for 1 hour to set.
5. Prepare the vanilla pod by scraping out the seeds.
6. Next place the soft cheese, icing sugar, lemon juice and zest and vanilla seeds in a bowl, using an electric beater mix until smooth. Tip in the cream and continue until combined.
7. Cut the strawberries in half and stand around the base. Next, spoon the mixture onto the base. Smooth with a spatula and leave to set in the fridge.
8. Arrange the rest of the strawberries around the top edge and fill the centre with blueberries.
9. Place the base of the tin on top of a plate, and remove the sides pulling downwards.
10. Remove the paper and base of the tin.
11. Enjoy!
